 THURSDAY, APRIL 6, 1906

The welcome given President Roosevelt on the occasion of his short visit to Louisville on Tuesday was one which did credit to Kentucky. The reception while not so elaborate for display was none the less hearty and sincere and plainly showed the genuine esteem in which our president is held by all of the people. The program was carried out without a hitch or an unpleasant incident. The escort which welcomed the President and accompanied him through the city was made up of distinguished citizens of Kentucky and of Louisville, both Democrats and Republicans. Confederate Veterans and members of the G. A. R. All paid homage to the man of the hour—Theodore Roosevelt.

Judge Edward F. Dunne, Democrat, was elected Mayor of Chicago over John M. Harlan, Republican, by a plurality of nearly 25,000 votes. By the result of the election the city is committed to municipal ownership of public utilities, and the exciting upshot at the earliest practicable date of private franchises for such enterprises.

Happenings Among the County People
as Reported by our Correspondents.

Hillsboro

Miss Flossie Armstrong one of our most popular young ladies has returned from visiting relatives near Tatham.

John Montgomery and daughter Miss Maud of Louisville who were up to attend the funeral of Dr. Montgomery have returned home.

John Kefauver is getting along well with his work and it looks as if there will be a large crop of tobacco put out as well as tobacco. They report as present an abundance of plants and unless a freeze or something else destroys them no one will lack for plants.

John Kelley, a popular young man of Denwick was in our midst Sunday last. What is the attraction over this way John?

Even Sales sold a horse last week to W. C. Rodgers, of Lebanon, for \$200. Mrs. Annie Gosholt sold two horses to Mr. Snyder, one for \$100 and the other for \$40. Coroner J. M. Montgomery sold this crop of tobacco of about 9,000 pounds to Mr. Moss for \$34 a cask.

John Shermaker and wife, of Sycamore Valley, visited the family of Robt. M. Mattingly Saturday and Sunday. They were gone to house keeping on the farm of Mrs. Harry Shewmaker.

W. C. Cammack, of Wardsville, the popular Deputy Assessor of Anderson county visited his daughter Mrs. J. D. Sutherland Saturday and Sunday.

T. Scott Mayes and R. F. Neal were the guests of J. M. Shield Sunday. They were over at our church. Sunday morning and aided us in organizing a Sunday School. If other parts of the county are as solid for Maves for congress as we are he will certainly be put in race for the nomination two years hence. It is true that we will hate to give him up as County Attorney for he has been a good one and has ever faithfully done his duty but we are inclined to think that Dave Smith's seat in Congress can never be better filled than by our county man. We are all regardless of politics, for him first, last and all the time. Let us hear from the other correspondents in regard to the race. Let us put him in the race for he will be a winner and the Fourth District will be proud of his record in all future time to come.

The remaining two months of the public school at this place opened Monday with Prof. Peters as teacher and a good number in attendance. We learn that the fall term has been promised to Miss Adams, of Fenwick.

A large crowd was out Sunday evening to hear the Rev. Hoskins, of your town, but unfortunately he missed the road and failed to get here and the crowd became impatient and left before he arrived. While waiting for him we organized a Sunday School with a large membership.
